

Wall Mount Tensabarrier® Red

Product Images

Description

This is the perfect barrier to restrict access to the area you need to without taking up a lot of space. The red webbing stands out, making this barrier a stylish and flexible option, that is easy to use and install.

Tensabarrier® is the world's leading quality retractable barrier brand. Based in the UK and made to the strictest quality standards. Read more about Tensabarrier® [here](#).

Tensabarrier® wall mount barriers are ideal for areas requiring periodic access restriction without taking up floor space. As part of the Tensabarrier® product line, the world's original retractable webbing barrier system, our wall units use the same retracting mechanism as the floor standing Tensabarrier® posts.

- Available in four webbing sizes - 2.3, 4.6, 7.7 and 8.5 metres.
- Webbing has an anti-tamper tape end.
- A wall clip for attaching the retractable barrier is also included.
