

Magnetic Wall Mount Tensabarrier® Black

Product Images

Description

This is the perfect barrier to restrict access to the area you need to without taking up a lot of space. The black webbing is a stylish and flexible option, that is easy to use and install.

Tensabarrier® is the world's leading quality retractable barrier brand. Based in the UK and made to the strictest quality standards. Read more about Tensabarrier® [here](#).

Our popular Tensabarrier® magnetic wall mount barrier range now comes with a magnetic base and magnetic wall receiver! Great for permanent or temporary use in warehouses, hospitals or any other locations where you have a metal surface.

- Can even be attached to cars or forklifts.
- Available in three webbing sizes - 4.6, 7.7, and 8.5 metres.

- The magnetic base and receiver will work on any metal surface.
- Can be moved from location to location quickly and easily.
- Watch the video to see just how easy this magnetic barrier is to use!
