

Coloured T-Shirt Workshop Rags 10kg

Product Images

Description

Coloured T/Shirt is the most versatile of the rags. They are a mix of soft knits and polo and are a great all-round rag for a variety of industries, including Automotive, Cleaning, Transport, Detailing and Machinery and any place with a workshop. T/Shirt rags have good absorbency and quite low linting.

- Note: Blocks have been metal detected to remove any metal products such as zips and clips.
