

Steel Blue Argyle Zip Black Safety Boots

Product Images

Description

The Argyle® Zip is a Men's safety boot with an industrial-grade side zip for ease of access. Including laces to ensure a secure and comfortable fit.

- Crafted from premium water-resistant leather.
- Available in black full-grain leather and wheat nubuck leather.
- A popular choice for tilers, dock workers, plumbers, warehouse staff and couriers.
- 150mm derby style lace-up and zip-up ankle boot with padded ankle and tongue.
- 200J steel toe-cap, 3/4 bellows tongue, anti-static properties.
- TPU outsole is heat resistant to 130°C.
- Trisole® comfort technology works to cushions your feet, knees, hips and lower back from day-to-day fatigue.

Steel Blue boots are Aussie owned and proud of it!
