

KwikStak Barrier Orange

Product Images

Description

Our KwikStak Barrier is specially designed to be easily stackable for hassle-free moving.

Product Notes:

- Constructed from heavy-duty, high-density polyethylene.
- KwikStak barriers feature stabilising rubber swivel feet that make them extra stable when set up.
- Single units can also be interlocked in a variety of configurations.
- Features Red and White engineer-grade reflective tape in an alternate pattern.
- Durable, long-lasting barrier.
- Stackable and moveable.

*Bulky Item. Shipping charges apply.
