Description

Manhole Pit Guard Barrier – Foldaway is the original and still the best barrier to cover manholes and pits etc.

- Made of the highest quality aluminium construction for years of outdoor use, yet still remarkably lightweight.
- Great for manholes, ditches and to barricade off dangerous hazards inside and outside your facility.
- Individual units can be fixed together to cover larger areas.
- It folds easily away to fit into the boot of an average car.
- Telstra uses these barriers.
- Also available without the tent frame [A2301](#) Manhole Pit Guard Barrier – Foldaway (without Tent Frame).
