Manhole Pit Guard Barrier – Foldaway Lite (with Tent Frame)

Product Images

Description

This manhole and pit cover barrier offers a multipurpose, lightweight system for safety and signage purposes.

Suitable for outdoor and indoor uses such as roadsides, construction sites and parks.

Manufactured from lightweight Steel Construction.

Folds away easily to fit into the boot of an average car.

Lighter and therefore cheaper than 'Heavy Duty' and 'Foldaway' Alternatives.

Also available [without tent frame](#).

Add the handy white tent cover to provide additional protection from rain or sun.

Please note, this Manhole Pit Guard Barrier is not as used by Telstra.
