

Blue Safcord® Trip Prevention Device

Product Images

Description

Safcord® Trip Prevention Device is the ideal cable protector for use in conference rooms, sound stages, hallways, doorways or offices.

- **MADE IN THE USA.**
- Safcord secures electrical and data cords to looped carpet.
- Scuffing feet and vacuums will not budge Safcord.
- Protectors stay in place until they are manually lifted off.
- Made of industrial grade Cordura Nylon.
- Washable and reusable.
- Cut to any length without unravelling.
- A very low profile means no slips or trips.
- It can be used on curved surfaces, even bent around corners!
- It can be used over and over again.
- It leaves no sticky residue that you get with adhesive tapes.
- **Two sizes:** Width 100mm x Length 1.8metres and Width 100mm x Length 9.1metres

Also available in **black, yellow and grey.**
