

# Skipper™ 9m Retractable Barrier Red/White

## Product Images

## Description

Make any work area safer with Skipper™ 9m Retractable Barriers.

The Skipper 9m Retractable Barrier can attach to traffic cones and Skipper™ Post and Base Systems. You can also attach Skipper 9m Retractable Barriers directly to walls and magnetic surfaces using a support bracket. The range includes useful attachments such as an A4 Sign Holder, LED Safety Light, and Wall Receiver Clip and Magnetic Receiver Clip. View our full range here.

The Skipper 9m Retractable Barriers is robust and dependable because of its high-specification materials and fabric tape. The versatile unit is used across a wide range of industries, from construction to airports and shipping, to events, retail, facilities management and many more.

Skipper is the original, market leading solution, and the choice of health and safety professionals across the

world.
