Description

Easily create a barrier up to 36m long with this Skipper™ Post Retractable Barrier Kit.

Skipper's post and base system is easy to assemble and looks professional in any environment—indoors or outdoors. Each Skipper Retractable Barrier contains 9m of high-visibility Red/White webbing, giving you up to 36m of easy-to-deploy barrier.

Add water or sand to the post's base to increase weight and stability.

The Skipper Post Retractable Barrier Kit includes:

4 x Skipper Post and Base system
4 x Skipper 9m Retractable Barriers Red/White
