

Heavy Duty TPU Flexible Bollard Red 1000mm

Product Images

Description

Bronson Safety Heavy Duty Flexible Bollards are used to guide traffic and to provide warning of approaching hazards. You can use these Flexible Bollards in any situation where you must separate vehicle or pedestrian traffic effectively and safely.

- **Hi-visibility 160mm x 1m Red Bollard with White 3M Reflective Tape stripes (3 x 150mm wide) for extra night time & low light visibility.**
- Manufactured from extremely durable UV stabilised Thermoplastic Polyurethane (TPU).
- **Superior "one-piece" moulded base design making them extremely durable.**
- Easy to install – The Flexible Bollards can be fitted to concrete, bitumen or other surfaces by simply bolting to the floor with the base.
- **MONSTER size! Nearly twice the diameter our standard TPU Flexible Bollards.**

- Bollard Diameter: 160mm
- Bollard Height: 1000mm
- Base Size: 300mm x 225mm (4 bolt base also includes glass bead reflectors)
- We recommend the [A4467 Sleeve Anchor Bolts](#) for concrete and the [A4918 Hilti Anchor Bolts](#) for bitumen applications. Four bolts are required for mounting.

*Bulky Item. Shipping charges apply.
