

Safcord Trip Prevention Device (Grey)

Product Images

Description

Safcord Trip Prevention Device is ideal for use in conference rooms, sound stages, hallways, doorways or offices.

- Safcord secures electrical and data cords to looped carpet.
- Scuffing feet and vacuums will not budge Safcord.
- Protectors stay in place until they are manually lifted off.
- Made of industrial grade Cordura Nylon.
- Washable and reusable.
- Cut to any length without unravelling.

- Very low profile means no slips or trips.
- Can be used on curved surfaces, even bend it around corners!
- Can be used over and over again.
- Leaves no sticky residue that you get with adhesive tapes.
- **Two sizes:** Width 100mm x Length 1.8metres and Width 100mm x Length 9.1metres.
