

# Anti-Slip Tread (Luminous Strip) 600mm long

## Product Images

---

## Description

---

This Anti-Slip Tread is great for heavy traffic areas such as stairways, walkways and ramps.

- Background: Black.
- Features Luminous Strip (12mm).
- Durable grit surface works well in wet or greasy conditions.
- Dimensions: 150mm x 600mm.
- We recommend edge sealing compound and floor primer if using outdoors.
