

Advantage 3200 Full Face Respirator (Large)

Product Images

Description

The Advantage 3200 Full Face Respirator provides both protection and unparalleled comfort.

- The soft sealing line made of hypoallergenic silicone provides a pressure-free fit.
- The large, optically corrected lens ensures a clear, undistorted view, while the grey-blue colour gives the mask an aesthetic appearance.
- Donning the Advantage 3200 is unbelievably quick, simple and accomplished without painful hair pulling.
- The patented Advantage head harness gives a perfect face piece-to-face fit.
- Wrap around lens.
- Advantage® European-style harness.
- Twin filter ports.
- Soft, pliable silicone facepiece that provides a total solution to your air-purifying respirator needs.
- Features bayonet style design respirator filter connection for quick mounting.
- Complies with and Certified to AS/NZS 1716:2012.

*Mask ONLY. Advantage Respirator Filters sold separately.
