

Miller® Anchor Grip (Fits 19mm hole)

Product Images

Description

The Miller® Anchor Grip is a **portable and reusable** anchorage connector for a Single Person.

- Fits 19mm hole.
- Suitable for a **single user only**.
- Designed for use in concrete applications.
- A variety of connecting devices including a shock-absorbing lanyard or self-retracting lifeline can be attached to the Anchor Grip.
- The reusable Miller® Grip anchor can be removed and simply re-installed in a new location.
- Designed for vertical or overhead/ceiling surface applications.
- Constructed of stainless steel, aluminium and other non-corrosive materials for longer service life.
- Refer to AS/NZS 1891.4 for information on anchorage strength, position and other application guidelines.
