

Frontier JugRnaut 5L Cooler (Orange)

Product Images

Description

The Frontier JugRnaut is a well-insulated cooler that is easily portable, to ensure easy access whenever workers need it. It is suited to the harsh Australian weather and related hydration risks.

- Retractable push tap for better hygiene and avoids tap breakage.
- Removable drinking cup with handle.
- Easy pour application spout.
- Simply refill via the twist lid.
- Fully insulated body for optimal temperature retention.
- Large comfortable carry handle with finger grip.
- Stable, wide bottom base to resist tipping.
- Cooler Colour: Orange
- Coller is 5L (approximately equal to the daily intake of 2 people).
