

Sqwincher 2L Concentrate

Product Images

Description

An employee working out in the Australian heat can become quickly dehydrated and fatigued. Sqwincher electrolyte replenishment sports drink is the perfect solution to these issues.

- Just mix with water (and ice – optional).
- **One 2L bottle of Sqwincher Concentrate makes 20L of hydrating liquid.**
- Available in 6 great tasting flavours. Grape, Lemon Lime, Lemonade, Orange, Tropical Cooler and Wild Berry.
- The concentrate is caffeine free, and low in salt.
- Prevents fatigue, heat stress and contributes to productivity in the workplace.
- [Convenient Pump Spout](#) available separately.

WHAT IS SQUINCHER®?

Sqwincher® is designed to help replenish fluids and electrolytes, keeping people going. Liquid concentrates mix readily with water with unique formulations designed to help reduce the fatigue and cramping associated with working in hot environments. When you need quick hydration on the job, reach for the unique drinkable electrolyte solution designed to help you replace what the body sweats out. Sqwincher Liquid Concentrate is the perfect choice for anyone looking to quickly and easily replenish their electrolyte levels. The concentrated liquid formula contains a precise balance of electrolytes to give your body the energy and hydration it needs in order to perform at its best. Made with high-quality ingredients to provide optimal hydration, this concentrated liquid format makes it easy to mix with water, and with 2L of concentrate, you can make up to 20L of electrolyte drink. Sqwincher Concentrate is the perfect choice for athletes, workers, and anyone looking for a convenient, great-tasting way to stay hydrated. Sqwincher is a healthy and convenient way to keep your energy levels up and your body functioning at its best.
