Description

Dy-Mark Spray and Mark Paint is a premium marking out paint which provides professional spot and line marking results for any temporary job.

- Toluene-free formula.
- High opacity, high quality, true colour pigment loading.
- Applications include construction, landscaping, civil works and surveying.
- Unique spray pattern specifically designed for spot marking as well as "writing" applications
- Tailor made to suit our **Two Wheel Marking Wand.**
- Rated to last up to 3 months in outdoor conditions.
- Available in 7 colours and all cans are 350g.

Suitable Surfaces: Concrete, bitumen, rock, steel, timber and general broken ground
Coverage: Will produce 200+ 'X' marks, up to 120 linear metres (depending on surface and colour used)
Drying Time: 5 minutes at 25°C
Ideal Application Temperature: Between 5°C and 40°C

**This product incurs a dangerous goods shipping charge.*
