

TreadRite™ Anti-Slip Paint

Product Images

Description

- Dy-Mark TreadRite™ slip resistant coating has been tested for compliance with AS4586:2013, slip resistance of new pedestrian surface materials.
- **1L & 4L tins are rated P5**, suitable for both flat surfaces and ramps.
- Creates durable slip-resistant surfaces, easy to apply with uniform coverage.
- Ideal for interior & exterior untreated timber, concrete, primed metal, brick clay pavers and pebble finish surfaces.
- Resists cracking and peeling and exposure to petrol, oil and mild chemicals.
- Solvent-based formulation.

- **Residential applications** include small projects, stairs and railings.
- **Industrial applications** include stairs, entrances and exit ways.
- Not recommended for vinyl flooring, sealed areas and tiles.
- 1L Tin - Approx. coverage 3 – 6sqm
- 4L Tin - Approx. coverage 12 – 24sqm
