

Yellow/Black Tesa® 4169 Premium Aisle Marking Tapes

Product Images

Description

Tesa® 4169 Premium Aisle Marking Tape is UV resistant and due to the thick backing is able to withstand high mechanical stress. A tough flexible PVC tape with an aggressive rubber adhesive, the tape is easy to unwind which allows accurate positioning and prevents shrinkage after application. It is designed for use on factory floors, to mark narrow openings or low doorways and to clearly identify fire risk areas and safety zones.

Why use Tesa® Premium Tapes?

Headquartered in Germany, Tesa is one of the world’s leading innovators and manufacturers of self-adhesive products and system solutions for industry, retailers, and consumers. Since 1941, the name Tesa has been the benchmark standard used for all self-adhesive products manufactured by similar suppliers. Tesa® products prove their impressive quality day in, day out in demanding conditions and are regularly subjected to strict quality controls.
