

Tube Safe Matting

Product Images

Description

This Tube Matting is Ideal for use in both indoor and outdoor applications. It is excellent for **wet areas like bars, boats, workshops, swimming pools and, showers.**

- Easily installed – no tools or fixings needed.
- Hardwearing PVC construction resists most chemicals, greases and oils.
- Unique grid surface drains easily keeping the surface dry.
- Helps prevent equipment damage and breakages.
- Contours to the shape of the floor.
- Reduces slips and trips through self-draining design which allows the liquid to flow through and drain away.
- Choose between purchasing a 12 metre roll, or per metre (maximum 12 metres).
