

Pinnacle™ Clear Lens Safety Glasses

Product Images

Description

The Pinnacle™ range of safety glasses brings fashion, comfort, and protection to safety eyewear. With a sleek design, the Pinnacle is lightweight with soft temple tips providing high-level comfort for all-day wear. Featuring exceptional coverage to ensure optimum safety at work, the Pinnacle's high gloss black and red temples deliver a stylish look, that workers will want to wear both at work and outside of work.

- Complies to AS/NZS 1337.1:2010 Medium Impact.
- Lightweight and comfortable with a stylish modern design. 100% dielectric with no metal parts.
- Combined Anti Fog & Hardcoat lens provides optimal visual clarity in humid environments whilst reducing scratches and extending lens life.
- **A5219 Positive Protective Dust Seal** is available separately for the Pinnacle glasses which can be fitted for use in high particulate and dusty work environments.
- Available in Clear, Grey, and Yellow lens.
