

Nullarbor Smoke Lens Safety Glasses

Product Images

Description

Australia's favourite safety spectacle. Polycarbonate scratch-resistant lenses offer 100% UV protection with wide vision and built-in side protection. Wrap-around styling and lightweight frame combine with soft feel temple ends for maximum comfort. **Grey Lenses** sometimes referred to as **Smoke** or **Tinted** are best suited for outdoor environments where harsh sunlight needs to be filtered out.

- Certified AS/NZS 1337 Medium Velocity Impact
