

PeltorTM Lumberjack Hard Hat System

Product Images

Description

The Peltor Lumberjack Hard Hat System combines head, face and hearing protection. This unit was developed for the logging and gardening industry. It has a uniquely designed front visor shield which helps eliminate sawdust and rain from falling between the mesh screen and hard cap. The mesh visor and earmuffs can be swivelled both up or down.

- It comes pre-assembled.
- This hard hat has a built-in UV indicator that monitors the integrity of the structure. It will tell you when it's time to change the hard hat!
- The Peltor H31 muffs are rated Class 4 25 dB.
- The rear neck cover prevents sunburn & also stops debris and rain from getting down your collar.
- This is an excellent product for professional & home handyman tree loppers, stump removers, arborists, landscapers & gardeners where chainsaws & hedge-clippers etc are used.
