

Safety Mirror Indoor Convex 600mm Acrylic

Product Images

Description

This Crystal View™ acrylic safety mirror is a perfect security device and theft deterrent.

- Can be used for all indoor applications and most outdoor applications to prevent costly accidents by alerting surrounding individuals to oncoming hazards.
- Applications include indoor car parks, factories, warehouses, hospitals, loading docks, shopping centres

and any other place where your vision may be impaired by blind spots and obstacles.

- Features an extremely durable 3mm thick acrylic face that provides a crystal clear viewing image.
- Each mirror is individually tested to provide 100% distortion-free viewing that you will not get with cheaper mirrors.
- Fixing arm single length is 180mm or fully extended 380mm.
- **Post mount and wall mount hardware is included.**
- **Suits 60mm ODI Post.**
