Safety Mirror installation kit

Crystal View™
SAFETY MIRRORS

Description

Constructed from premium 3mm thick acrylic for superior performance and longevity.

- Each mirror is **hand-inspected** to ensure that it will not bend or distort like cheaper alternatives.
- Can be suspended on chains or fixed directly to the ceiling to **provide a complete 360° view**.
- For best results, we recommend placing this mirror in the centre of a space.
- Detect and discourage shoplifters, reduce collisions in warehouses and offices.
- The **first choice for hospitals** and other facilities where clarity and durability are critical.
- Lightweight and easy to install.
- **Mounting hardware is included.**
- NOTE: Displayed viewing distance is measured from viewer to mirror and is advisory only. Will vary depending on factors such as lighting, placement and purpose.
