Description

This quarter dome safety mirror is perfect for tight corners or cramped spaces in rooms, entrances or corridors.

- Constructed from premium 3mm thick acrylic for superior performance and longevity.

- Each mirror is **hand-inspected** to guarantee that these mirrors will not bend or distort like cheaper alternatives.
- Can be **mounted on walls or ceiling** to reduce collisions in warehouses, offices, corridors.
- Lightweight and easy to install.
- **Mounting hardware is included.**
- NOTE: Displayed viewing distance is measured from viewer to mirror and is advisory only - Will vary depending on factors such as lighting, placement and purpose.
