

Danger Deep Excavation Sign

Product Images

Description

The **Danger Deep Excavation Sign** warns of potential hazards in the area with a significant excavation that could be dangerous for people nearby.

Danger signs are safety signs for warning of a particular hazard or hazardous condition that is likely to be life-threatening. Danger safety signage has many uses and can warn of many dangerous situations – such as fuel storage, radiation, high voltage, chemicals, open holes, and worksite hazards. The sign is shown as the word Danger on a red oval over a black rectangle. Text is black on a white background.
