

Danger No Smoking Sign

Product Images

Description

This **Danger No Smoking Sign** indicates no smoking is allowed in the area and it will cause danger to all near.

Danger signs are safety signs for warning of a particular hazard or hazardous condition that is likely to be life-threatening. Danger safety signage has many uses and can warn of many dangerous situations – such as fuel storage, radiation, high voltage, chemicals, open holes, and worksite hazards. The sign is shown as the word Danger on a red oval over a black rectangle. Text is black on a white background.
