

Kwik Bloc Water Filled Barrier - Red

Product Images

Description

Direct and control work sites with these low cost highly visible water filled barriers. Weighing up to 150kg when filled, they are a solid barrier for worksites, footpaths and work areas. Available in red or yellow.

- Durable polyethylene plastic prevents cracking and breaking.
- Extra-large 1410(L) x 180 (top width)/360 (bottom width) x 780(H)mm
- Moulded construction eliminates bowing when filled, plastic threaded water release cap at the bottom corner.
- Weight Empty: 12kg.
- Weight Full: Approx. 170kg (Approx. 160 litres)
- Units interlock to form an extended barrier and nest together for compact storage and easy transport.
- **BULK STOCK AVAILABLE**
