

# Danger Sign - Do Not Remove Guards

## Product Images

---

## Description

---

Danger signs are safety signs for warning of a particular hazard or hazardous condition that is likely to be life-threatening.... Danger safety signage has many uses and can warn of many dangerous situations – such as

fuel storage, radiation, high voltage, chemicals, open holes, and worksite hazards. The sign is shown as the word Danger on a red oval over a black rectangle. Text is black on a white background.
