

Danger High Voltage Sign

Product Images

Description

Use this **Danger High Voltage Sign** to warn the public and workers that dangerous high voltage cables are in the immediate area.

Danger Signs are safety signs for warning of a particular hazard or hazardous condition that is likely to be

life-threatening.... Danger safety signage has many uses and can warn of many dangerous situations – such as fuel storage, radiation, high voltage, chemicals, open holes, and worksite hazards. The sign is shown as the word Danger on a red oval over a black rectangle. Text is black on a white background.
