

Danger Crane Working Overhead Sign

Product Images

Description

Use this **Danger Crane Working Overhead Sign** to warn people about the dangers of cranes at work

overhead in the area and to be aware.

Danger signs are safety signs for warning of a particular hazard or hazardous condition that is likely to be life-threatening. Danger safety signage has many uses and can warn of many dangerous situations – such as fuel storage, radiation, high voltage, chemicals, open holes, and worksite hazards. The sign is shown as the word Danger on a red oval over a black rectangle. Text is black on a white background.
