

Danger Workers Below Sign

Product Images

Description

The **Danger Workers Below Sign** warns to be careful as people are working below in that area and could pose a danger to them.

Danger signs are safety signs for warning of a particular hazard or hazardous condition that is likely to be

life-threatening. Danger safety signage has many uses and can warn of many dangerous situations – such as fuel storage, radiation, high voltage, chemicals, open holes, and worksite hazards. The sign is shown as the word Danger on a red oval over a black rectangle. Text is black on a white background.
