

# Danger Overhead Powerlines Danger Sign

## Product Images

---

## Description

---

Warn people and workers they are near powerlines overhead with this **Danger Overhead Powerlines Sign**.

**Danger signs** are safety signs for warning of a particular hazard or hazardous condition that is likely to be life-threatening. Danger safety signage has many uses and can warn of many dangerous situations – such as fuel storage, radiation, high voltage, chemicals, open holes, and worksite hazards. The sign is shown as the word Danger on a red oval over a black rectangle. Text is black on a white background.
