

Danger Deep Water Sign

Product Images

Description

The **Danger Deep Water Sign** warns there is deep water near by or the water in the vicinity may be a lot deeper and hazardous than it looks and warn of the dangers of being near it.

Danger signs are safety signs for warning of a particular hazard or hazardous condition that is likely to be

life-threatening.... Danger safety signage has many uses and can warn of many dangerous situations – such as fuel storage, radiation, high voltage, chemicals, open holes, and worksite hazards. The sign is shown as the word Danger on a red oval over a black rectangle. Text is black on a white background
