

Danger No Access Sign

Product Images

Description

The **Danger No Access Sign** is used to prevent public and/or your workers from entering an area that is not allowed.

Danger signs are safety signs for warning of a particular hazard or hazardous condition that is likely to be

life-threatening. Danger safety signage has many uses and can warn of many dangerous situations – such as fuel storage, radiation, high voltage, chemicals, open holes, and worksite hazards. The sign is shown as the word Danger on a red oval over a black rectangle. Text is black on a white background.
