

Danger Open Pit Sign

Product Images

Description

The **Danger Open Pit Sign** is used to warn people in the area of an open pit and the potential risk that is to their safety.

Danger signs are safety signs for warning of a particular hazard or hazardous condition that is likely to be

life-threatening. Danger safety signage has many uses and can warn of many dangerous situations – such as fuel storage, radiation, high voltage, chemicals, open holes, and worksite hazards. The sign is shown as the word Danger on a red oval over a black rectangle. Text is black on a white background.
