

Danger Sign - No Vehicles Beyond This Point

Product Images

Description

Danger signs are safety signs used to warn of a particular hazard or hazardous condition that is likely to be

life-threatening.

- This sign is compliant with AS 1319-1994.
- Danger safety signage has many uses and can warn of many dangerous situations – such as fuel storage, radiation, high voltage, chemicals, open holes, and worksite hazards.
- The sign features the word Danger on a red oval over a black rectangle. Text is black on a white background.
